

PUBLIC NOTICE
ISSUANCE OF OPERATING PERMIT
UNDER THE STATE AIR POLLUTION CONTROL LAW

The Department of Environmental Quality (DEQ), West Central Regional Office (WCRO) has received an application for a State Operating Permit pursuant to 9 VAC 5-80-800 of the Virginia Regulations for the Control and Abatement of Air Pollution for the following source of air emissions:

Source Name:	Old Virginia Brick Co. – Salem Plant
Registration No.:	20302
Mailing Address:	PO Box 508, Salem, VA 24153
Location:	2500 West Main Street, Salem

The above source operates a brick manufacturing facility. The intent of this State Operating Permit is to set a federally enforceable limitation on hourly production of fired bricks of less than 10 tons/hr from each of the two existing tunnel kilns. The DEQ will accept written comments for 30 days following the appearance of this notice in the Roanoke Times. Only those comments received within this period will be considered. The DEQ will hold a public hearing if response is significant. Information on the proposed permit actions and the format for hearing requests may be obtained by contacting DEQ's West Central Regional Office, 3019 Peters Creek Road, Roanoke, VA 24019, attention Gail Taber Steele, (540) 562-6761, email: gtsteele@deq.virginia.gov, on any business day between the hours of 8:30 a.m. and 4:30 p.m.
